Dear Mr. Buckley:

I am writing in response to your letter of March 10, 2011. I have uploaded amended 2010 post-general and 2010 year-end reports, and a late 24-hour notice for the November 2, 2010 election, to correct for my errors in my 2010 post-general report. This note further explains my amendments.

In reference to the Line 15 offset to operating expenditures: I wrote a memo note explaining that this is a reimbursement from 80-20 Educational Foundation for use of 80-20 PAC's e-mail list of several hundred thousand Asian American families. This is the fair market value for use of this e-mail list to send educational messages.

In reference to the Schedule B operating expenditures 'newspaper ad supporting Boxer and Whitman' and 'radio ad supporting Boxer and Whitman': These refer to individual ads that, in the same space, supported Barbara Boxer for the Senate and Meg Whitman for Governor. I thought they should be reported as 'Other Disbursements' because the 'independent expenditure' category does not cover gubernatorial candidates. I have now amended the reports by separating the entries for Whitman for Governor, and Boxer for Senate. Since they take up roughly equal space on each ad, I have created two entries for each medium that carried an ad, allocating half the cost of each ad to Whitman under Line 29 (Other Disbursements) and half the cost to Boxer under Line 24 (Independent Expenditure). Because I now realize I should have reported the ads as Independent Expenditures for Boxer, I have also filed a late 24-hour notice, which was required for independent expenditures. For simplicity, I dated each entry according to the first air date of each ad. I also realized an additional ad, which was paid for in 2011, was aired in 2010, and I have entered that into the 2010 post-general report as well.

Thank you for your consideration of my amended reports. I apologize for any inconvenience. Please do not hesitate to contact me further if I may be of any other assistance.

Sincerely,

Jing-Li Yu
